Satisfy the conditions of this offer

To satisfy the conditions of this offer, you must:

> Subject to Genuine Student (GS) assessment. You will be notified of the outcome once the assessment is completed or contacted if further information is required.
>
> Successful completion of the fourth semester at Shoolini University with a minimum cumulative GPA of 6.96 out of 10.00.

Click the link to find out how to provide this evidence. Once you have met the conditions set out above, the University will send you an unconditional offer letter, which will include instructions on how to accept your offer.

It is also important to note that if you undertake any further study between now and accepting your offer you must declare it because your offer will need to be reassessed based on the additional study.

If you do not declare the further study and it is subsequently discovered via any means, including an advanced standing application, your application will be reassessed based on that study which could result in your offer being withdrawn and enrolment cancelled.

Important information

The commencement date above refers to the start of classes. New students should plan to participate in orientation activities before classes begin. Essential information will be provided at these sessions and attendance may be compulsory. Further details about the orientation activities of your faculty will be available towards the beginning of semester.

You have been awarded 200 points of advanced standing (credit). Please note your course length, tuition and OSHC fees will be reduced from the standard amounts on this offer.

Due to the high level of demand for this program, please be aware that there may be few or no places available by the time the conditions of the offer are satisfied and/or the unconditional offer is

accepted. Please note that this offer will remain valid only as long as there are places available in this program.

While you can register your intention to accept or decline this offer through the student portal or the application portal, please be aware that places may be full by the time you submit your final required documents, and we may not be able to issue an unconditional offer. If you need to start your studies later than originally planned, you may be eligible to defer the commencement of your offered course for up to one year. Please refer to the deferral page for eligibility details specific to you and the course you have been offered.
